

Persons who sustained property damage as a result of Tropical Storm Lee are encouraged to complete the following Damage Survey Report for disaster relief. Please fill out your name, telephone number, address, and most importantly, the type of damage.

If possible, residents are recommended to attach a photograph of the damage.

Completed forms can be submitted to:

North Londonderry Township/EMA  
655 East Ridge Road  
Palmyra PA 17078

Questions can be directed to the Police Department at 838-5276.

**NOTE:** The survey is intended to gather a quantity of properties affected in Lebanon County. Property owners **MUST** register with FEMA for a chance to receive financial assistance. See the following links for additional information.
