The contractor/supplier shall have the right to increase the contract unit price of the bituminous items in accordance with PennDOT Publication 408, Section 110.04. Any increase (or decrease) in the contractor/supplier’s cost of such item after the bid date shall be verified by the proper documents furnished to the Township of North Londonderry, including Proof of Price to contractor/supplier from the contractor/supplier’s source of supply.

Should the contractor/supplier's allocation of any item be materially reduced by the contractor/supplier's source of supply, the contractor/supplier may reduce proportionately the quantity of such item to be delivered in accordance with this contract.

Accompanying this proposal is a certified check or bid bond payable to North Londonderry Township in the amount of ten percent (10%) of the bid, as a proposal guarantee which, it is understood, will be forfeited in the event the contractor is awarded the contract and fails to provide the necessary performance bond, as required.

The municipality may withdraw or reduce the quantity of any item or terminate or reduce the scope of the contract if the unit cost of any item is increased more than ten percent (10%) above the bid.

If written notice of the acceptance of this bid is mailed, telegraphed or delivered to the undersigned within forty-five (45) days after the date of opening of the bids, or anytime thereafter before this bid is withdrawn, the undersigned will, within fifteen (15) days after the date of such mailing, telegraphing or delivering of such notice, execute and deliver a contract in accordance with specifications and bid as accepted. Along with the contract delivery, the successful bidder shall submit a guarantee of performance in terms of the contract in the form of a bond or certified check payable to North Londonderry Township in the amount of one hundred percent (100%) of the bid. If a certified check is submitted, it will be forfeited to North Londonderry Township to cover any added costs to the Township in the event it determines by written notice to the contractor that any equipment was not available when needed or that its performance was unsatisfactory.

The undersigned hereby designates as his office to which such notice of acceptance may be mailed, telegraphed or delivered.

CDL COMPLIANCE STATEMENT

The Parties to this contract agree the relationship between the Contractor and the Township is one of independent contractor and not employer/employee and that the individual employees of the Contractor who will be performing the work pursuant to this Contract are not employees of the Township. The Contractor hereby certifies, represents, and warrants to the Township each person performing any aspect of the work pursuant to this Contract who are required to have a commercial driver’s license: (1) are in a program for drug and alcohol testing in accordance with the Federal Omnibus Transportation Employee Testing Act of 1991 and the federal regulations adopted pursuant thereto and (2) hold a valid Commercial Driver’s License.

Due to the nature of the work that the Contractor may perform for the Township, the Contractor must use employees who perform safety-sensitive functions for which a Commercial Driver’s License (CDL) is typically required. Section 382.301(d)(2) of the Federal CDL Regulations requires that, prior to being awarded any contract by the Township, and every six (6) months of the Contract, the Contractor must certify that it remains in a qualified CDL drug and alcohol testing program.

If the Contractor is not participating in a qualified CDL drug and alcohol testing program at the time of the awarding of the Contract, or at any six (6) month re-certification point, then all the Contractor’s CDL employees must obtain a negative result on a pre-employment drug test before beginning (or continuing) contracted work for the Township at the expense of the Contractor.
